

Eighth International Conference on Flow Dynamics (ICFD2011)

DATE: November 9 - 11, 2011

PLACE: Hotel Metropolitan Sendai

Participants: 649 participants including 206 foreigners from 18 countries.

PLENARY LECTURES

Energy Sustainability: A Combustion Perspective
Suk Ho Chung (King Abdullah University of Science and
Technology, Saudi Arabia)

Transport Phenomena, Fluid Mechanics and Multiscale Modelling
Techniques for Clinical Decision Support
Yiannis Ventikos (University of Oxford, UK)

Low-Order Aeromechanical Modeling for Conceptual Design of
Fuel-Efficient Aircraft
Mark Drela (MIT, USA)
