- For presenters in **the session 5** (66-80), **before 12:30 p.m. on Nov. 11 at Akebono-west (3rd floor).**

Information for “Students/Young Birds Friendship Night”

Date	Wednesday, November 9, 2011
Time	18:00 – 20:00
Place	Sakura Hall (Katahira Campus in Tohoku University)
Service	Some drinks and foods
Special entertainment	Friendly speeches given by invited young researchers

As tabulated in above table, we will have a buffet-style party aiming at exchanging and sharing each culture, study, etc. and at gaining your international communications.

All the students who are participating in ICFD2011 and participants in **The Seventh International Students/Young Birds Seminar on Multi-scale Flow Dynamics** are very welcome to the party.

At the party, we are going to invite young researchers who have experienced studying abroad for giving a short speech.

Name
Mr. Hajime Okawa
Mr. Hiroaki Inotsume
A participant in Japan-Korea Students' Symposium

We hope that you enjoy the party and you use this opportunity to share each culture, details about your study, gaining your international communication and so on.

Information for Award Session

We are planning to give you some awards of **Best Award** and **Participants Award** for your presentation. Details are summarized in Table 1.

In the time slot of afternoon session on 9th of November, in Table 2, we will hold the “Award Session”. In this session, 20 people will be the candidates for the “Best Award”. Participates for the award session are summarized in Table 3.

We will take up your voting paper for the Participant Award in each session.
