

**General Information on
the Eighth International Students/Young Birds Seminar on Multi-scale Flow Dynamics**

When you come to the seminar room,
please receive [a voting paper](#) for participants award at the entrance in the seminar room.

Presentation Style

BOTH Short oral presentation AND poster presentation

(3 min for each short oral presentation including PC preparation. The time of poster presentation vary with each session. Please confirm the program.)

Presentation file and poster size

➤ Regarding [the short oral presentation](#),

each presenter needs to use Microsoft Power Point file (ppt or pptx) or PDF file (in particular for Mac users) for his/her short oral presentation. Please bring a PowerPoint data for your presentation (You don't need send your copy to us in advance).

We prepare a PC for the short oral presentation. **Please use the PC of the hall.** Specs of the PC are as follows.

- ✧ Windows 7 Professional (Japanese-language)
- ✧ **Microsoft Office 2010** (Japanese version)
- ✧ **Adobe Reader 10** (Japanese version)

➤ Regarding [the poster session](#),

Please note that you **CANNOT** print out your poster **during the conference**,

so please print it out **before the conference by yourself** and bring it to the seminar room.

The poster size is necessary to be made within **1700 mm (height) * 900 mm (width)**.

Preparing your poster-paper & Receiving MS Power Point files
