

**General Information on
The Sixth International Students/Young Birds Seminar on Multi-scale Flow Dynamics**

**When you come to the seminar room,
please receive a voting paper for participants award at the entrance in the
seminar room at the start of every session.**

Presentation Style:

BOTH Short oral presentation AND poster presentation

(**2 min** for each short oral presentation and **120 or 150 min** for poster presentation)

Presentation file and poster size:

- Regarding the short oral presentation,
each presenter needs to use Microsoft Power Point file (ppt or pptx) or PDF file (in particular for Mac users)
for his/her short oral presentation. Please bring a PowerPoint data for your presentation (You **DON'T** need to
send your copy to us in advance).
- We prepare a PC for the short oral presentation. Please use the PC of the hall. Specs of the PC are as
follows.
 - ✧ Windows 7
 - ✧ **Microsoft Office 2003 (with Compatibility Pack for the 2007 Office system)**
 - ✧ **Adobe Reader 9**
 - ✧ Adobe Flash Player 10

CAUTION

We had been infected with the computer virus in last conference. So, please check your USB flash drive by
Antivirus software.

- Regarding the poster session,
Please note that you **CANNOT** print out your poster **during the conference**,
so please print it out before the conference by yourself and bring it to the seminar room at a scheduled time.
The poster size is necessary to be made within **1700 mm (height) * 1100 mm (width)**.

Preparing your poster-paper & Receiving MS Power Point files:

- For presenters in **the award session 1** (OS7-1 - OS7-22),
you can put up your poster-paper on the poster board
between 12:40 and 12:55 on Nov. 1 at **Tachibana (2nd floor)**.

we will receive your files for the short presentation

between 12:15 and 12:45 on Nov. 1 at **entrance of Tachibana** .

You can put up your poster-paper on the poster board and we will receive your files for the short presentation

- For presenters in **the session 2** (OS7-23 - OS7-42), **between 8:00 and 8:45** on Nov. 2 at **Tachibana**.
- For presenters in **the session 3** (OS7-43 - OS7-67), **between 12:00 and 12:45** on Nov. 2 at **Tachibana**.
- For presenters in **the session 4** (OS7-68 - OS7-86), **between 8:00 and 8:45** on Nov. 3 at **Tachibana**.
- For presenters in **the session 5** (OS7-87 - OS7-109), **between 12:00 and 12:45** on Nov. 3 at **Tachibana**

Information for “Students/Young Birds Friendship Night”

Date	Monday, November 1, 2010
Time	17:00 – 19:00
Place	Sakura, Sendai International Center
Service	Some drinks and foods
Special entertainment	Friendly speeches given by invited young researchers

As tabulated in above table, we will have a buffet-style party aiming at exchanging and sharing each culture, study, etc. and at gaining your international communications.

All the students who are participating in ICFD2010 and participants in **The Sixth International Students/Young Birds Seminar on Multi-scale Flow Dynamics** are very welcome to the party.

At the party, we are going to invite young researchers who have experienced studying abroad for giving short speeches.

	Name	Presentation title
Dr.	Takanori Haga	How to enjoy a post-doc life abroad?
Mr.	Masataku Sutoh	International Space University Space Studies Program 2010.
Ms.	Alice Barthel	Studying abroad.

We hope that you enjoy the party and you use this opportunity to share each culture, details about your study, gaining your international communication and so on.
