Beautiful Campus (2)

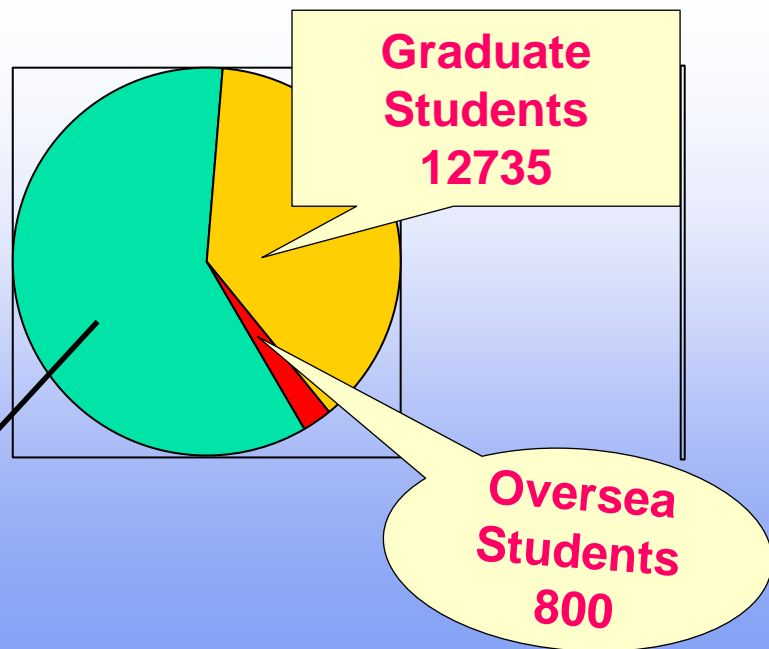

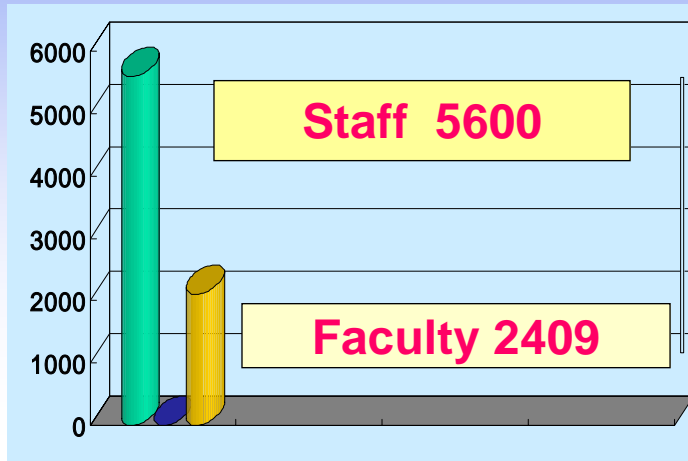

Now, XJTU is a comprehensive university with **17 Academic Schools** and **4 Teaching Hospitals**.

Academic Disciplines, Faculties and Students

- **1,200** professors and associate professors
- **16** Academicians of the Chinese Academy of Science and the Chinese Academy of Engineering
- **32,871** full-time students among which **12,735** are graduate students, including **8,857** for Master's degrees and **3,878** PhD candidates

Under Graduate Students 19696

Offer: 75 Programs for Bachelor Degree
199 Programs for Master Degree
114 Programs for Doctor Degree

Key Research Bases

- **4** State Key Laboratories
- **4** State Special Laboratories
- **2** State Engineering Research Centers

Key Research Bases

- **7** Key Research Laboratories of the State Ministry of Education
- **1** Engineering Center of the State Ministry of Education
- **2** Key Research Laboratories of the State Ministry of Health
- **16** provincial key research installations

Overview of XJTU

- **The earliest key** universities included in the Seventh Five Year Plan (1980-1985) and the Eighth Five Year Plan (1986-1990) of China.
- One of **the first batch** of key and internationally competitive universities supported by China's Government such as "211 Project" and "985 Project"
- Energy and Power Engineering---**No.1** in China
Management Science ---**No.1** in China
Business Administration---**No.1** in China
Electrical Engineering---**No.2** in China
Mechanical Engineering---**No.3** in China
