

General Information on the Tenth International Students/Young Birds Seminar on Multi-scale Flow Dynamics

Presentation Style:

BOTH **Short oral presentation** and **Poster presentation**.

(The short oral presentation (**3 min**) includes PC preparation. The time of poster presentation vary with each session. Please confirm the program.)

Preparation of your Short oral presentation and Poster presentation:

You have to **put up your poster-paper on the poster board and submit your presentation files for the short presentation at following time.**

For presenters in the session 1 on 8th Oct. (OS10-1 – OS10-29)
between 12:00PM and 13:30PM on 8th Oct. @ SAKURA 2.

For presenters in the session 2 on 9th Oct. (OS10-30 – OS10-51)
between 08:30PM and 09:30PM on 9th Oct. @ SAKURA 2.

For presenters in the session 3 on 9th Oct. (OS10-52 – OS10-73)
between 12:00PM and 13:10PM on 9th Oct. @ SAKURA 2.

Regarding the **short oral presentation**

- Each presenter needs to use Microsoft Office Power Point file (.ppt or .pptx) or PDF file (in particular for Mac and UNIX users) for the short oral presentation.
- You do not need to send your copy to us in advance. We will receive your files at the conference venue as referred to above.
- We will prepare a PC for the short oral presentation. **You CANNOT use your PC** on the short oral presentation. The specifications of the PC are as follows.
 - * Windows 7 professional 32 bit (Japanese-language)
 - * **Microsoft Office 2010** (English version, 32 bit)
 - * **Adobe Reader 11** (English version)

Regarding the **poster session**

- Please note that you **CANNOT** print out your poster **at the conference venue**, so **please print it out before the conference by yourself** and bring it to SAKURA 2.
- The poster size is necessary to be made within **1700 mm in height and 900 mm in width.**

When you will submit your presentation files,
please receive a voting paper for the Best presentation award!!

Information for Best Presentation Award:

We are planning to give you the **Best Presentation award** for two or three of your presentation. The award ceremony will be held during the banquet of ICFD2014. All presenters who make a presentation at the Tenth International Students/Young Birds Seminar on Multi-scale Flow Dynamics will have a great chance to receive the award.

****Please note that if you will use your native language during the presentation, you will be taken off points.**
