

## *Winners of ICFD2017 Awards*

We would like to inform you of the results of totaling for the ICFD2017 awards.

### **Best Award**

**Mr. Yuki Murakami** (Tohoku University, Japan)

OS17-60: Investigation on Ignition Properties of CO/H<sub>2</sub>/CH<sub>4</sub> Mixtures Derived From In-Cylinder Fule Reformation

**Mr. Kosuke Kudo** (Hirosaki University, Japan)

OS17-65: Non-Invasive Detection of Skin Tumor by Thermal Conductivity Measurement: Experiments on a Skin Mimicking Phantom

**Mr. Kenji Ishikawa** (Waseda University, Japan)

OS17-35: Experimental Visualization of Flow-induced Sound using High-speed Polarization Interferometer

Congratulations on winners. We would like to thank you all for joining the conference and voting for the best presentation award.

We are looking forward to meeting with you again in the ICFD2018 which is now scheduled for Nobember 7 – 9, 2018 at Sendai International Center.
