- Proceedings:** not available

Social Programs: “Excursion & Banquet”

In the afternoon of December 10, we are planning to make an excursion to the countryside near Sendai city, famous Sakunami Spa, and to stay at a Japanese-style Hotel for one night, holding a typical Japanese-style banquet. We expect all of you to enjoy a typical Japanese countryside and also Japanese-style outdoor baths.

Registration and Fee:

(1) Registration	Deadline for abstract	November 30, 2004
	Deadline for registration	November 30, 2004

Fees

- Registration fee Free
- Excursion and Banquet fee ¥12,000yen

This will cover transportation fee, excursion fee, meals, and one night accommodation fee at Ichinobo Inn. Since the Inn has no single room available, you are asked to share a tatami room with 2 or 3 persons. This is mainly because the number of rooms is limited.
