

<<General Information for OS20 in ICFD2021>>

We are pleased to announce that the ICFD2021 will be held virtually as well as last year. Therefore, “the Seventeenth International Students/Young Birds Seminar on Multi-scale Flow Dynamics” session (OS20) will also be held in a virtual format using an online conference tool "Remo" and “YouTube”. In this year, we will use Remo to provide a presentation environment just like offline.

Information

The style of the presentation will be Poster & Short Oral Presentation (Pre-recording).

-Poster Session (Remo)

In OS20, we have decided to divide into three sessions. Each session will be divided into the first half and the second half, and the presenters in the session will have "core time" in either time. The presenters are requested to explain their own posters during the core time and can visit other posters at any other time.

In this session, we will use the online conference tool called “Remo”. For detailed instructions on how to use Remo and how to post the poster on Remo, please follow [the manual \(click here\)](#).

Also, please note that the poster does not support PowerPoint files (.pptx, .ppt).

The three sessions and the corresponding presenter are scheduled as follows:

Session 1

Date: 13:30~15:00 (JST), October 27th

Presenters: OS20-1~OS20-11 (13:30~14:15), OS20-12~OS20-23 (14:15~15:00)

Session 2

Date: 15:20~16:50 (JST) , October 27th

Presenters: OS20-24~OS20-34 (15:20~16:05), OS20-35~OS20-46 (16:05~16:50)

Session 3

Date: 11:10~12:40 (JST) , October 28th

Presenters: OS20-47~OS20-58 (11:10~11:55), OS20-59~OS20-71 (11:55~12:40)

✖The timetable with the hyperlinks to Remo and YouTube is available on and after October 27. For more details, please refer to [the manual for ICFD2021](#).

-Short Oral Presentation (YouTube)

Presenters will be requested to submit a 2-minute short movie summarizing their research. We will upload this movie on YouTube. The audience will get the overview of all presentations on YouTube.

Platform

In OS20, Remo and YouTube will be used to show the presentations and to communicate the presenters and the audiences. In case you cannot access to Remo or YouTube, please contact us at icfd2021-stu@grp.tohoku.ac.jp .

- Best Presentation Award

We are planning to award “Best Presentation Award” to the best presenters in the OS20. All presenters at the OS20 session will be eligible to be awarded.

The evaluation of the best presentation award will be conducted by the judges and voting by participants. you will choose one presentation in the session. The voting procedure will be announced on the day.

The presenter selected for the Best Presentation Award will be presented with the award at the banquet.

- Summary

- OS20 will have the poster session on “Remo” and short oral presentation on “YouTube”
- The poster is not allowed the PowerPoint style (.pptx, .ppt)
- The Best Presentation Award will be awarded through the evaluation by the judges and voting
