

# **The 18th International Students / Young Birds Seminar on Multi-scale Flow Dynamics in ICFD2022 General Information**

## **Information**

We are pleased to announce that “The Eighteenth International Students/Young Birds Seminar on Multi-scale Flow Dynamics (hereinafter referred to as OS21)” session will be held in a face-to-face format for the first time in three years. In addition, as in the previous year, we plan to distribute short presentations of on the summary of your research using YouTube.

Specific information is shown below.

**(Details will be added here as soon as they are determined.)**

### **1. Presentation Style**

The presentation style is face-to-face poster session. Speakers are asked to come to the venue on the designated presentation day and stand by the poster which summarizes their research. Then, the speakers will answer the questions as appropriate about your research from the audiences and other speakers. Posters cannot be printed at the conference venue, so speakers are required to print their posters in advance and bring them to the venue. Posters should be no longer than 1700mm (H) x 900mm (W). Posters larger than this size cannot be displayed because they cannot fit on the poster board we will prepare.

### **2. Short Presentation Video**

We will ask speakers to record a few minutes video briefly explaining their research and submit it to us. The video will be uploaded to YouTube and shown on a large monitor at the conference venue on the day of the presentation. Details will be updated later.

### **3. Poster Session Schedule**

OS21 is divide into the three dates. Speakers will be asked to give a presentation in one of the three sessions. A session will be divided into the first half and the second half, and speaker will have a "core time" in either time.

**Session1 (OS21-1~OS21-22)     14:10~15:40 (JST), November 9th**

**Session2 (OS21-23~OS21-44)     10:00~11:30 (JST), November 10th**

**Session3 (OS21-45~OS21-65)     13:10~14:40 (JST), November 10th**

## **Best Presentation Award for Students Session in OS21**

We are planning to award “Best Presentation Award for Students Session” to the best presenters in the OS21. All presenters at the OS21 session will be eligible to be awarded.

**【Note】**

If the COVID19 pandemic occurs again in Japan, OS21 may be held online as in the last year. In this case, the online conference system “REMO” will be used.

**Contact**

If you have any question about the student session, please do not hesitate to contact us by email.
