

The 20th International Students / Young Birds Seminar on Multi-scale Flow Dynamics in ICFD2024

General Information

Information

We are pleased to announce that “The Twentieth International Students / Young Birds Seminar on Multi-scale Flow Dynamics” session will be held in a face-to-face format for students and young researchers who are 35 years old or younger. Participants will be engaged in both face-to-face Short Oral Presentations and Poster Presentations. The specific information is provided below.

1. Session Style

- Upcoming information will be updated after paper submission.

2. Short Oral Presentation

- You are required to provide a short oral presentation of your study (detailed times will be announced later).

3. Poster Presentation

- You are required to print your poster by yourself and display it at a conference venue before your presentation.

Best Presentation Award for Students Session

Under a strict review process, participants who give exceptional presentations will be awarded certificates for the “Best Presentation Award for Students Session”. All presenters are eligible for this award. However, if you cannot submit a paper before the deadline, you may be excluded from the award review.

Contact

If you have any questions about the student session, please do not hesitate to contact us by email. Email Address : icfd2024-stu@grp.tohoku.ac.jp (Both English and Japanese are available).
