VISA

Depending on your nationality you may be required to obtain a visa to enter Japan. Please apply for your VISA well in advance of your travel. We recommend that you contact the Japanese embassy in your home country as early as possible to inquire about the specific visa regulations regarding your country.

If you need the VISA application form, please contact ICFD Secretariat at your earliest convenience. We are only able to issue required for visa application to participants who complete registration and full payment of registration fee.

Note that the visa refusal is no reason for refund of the registration fee.
