

Women-in-Flow Dynamics

Fostering Inclusion in the Flow Dynamics Community

We warmly invite women students and researchers from around the world, as well as faculty members of the Institute of Fluid Science (IFS), to join us for a friendly lunch gathering!

This event aims to foster connections, share experiences, and exchange ideas in a relaxed and welcoming atmosphere.

While the primary aim is to connect women students and researchers, anyone interested in supporting inclusion in the flow dynamics community is warmly welcome to join.

Date : November 11, 2025

Time : 12:15-13:15 (Lunch Time)

***Sweets and drinks will be provided. Please bring your own lunch if needed.**

Venue : TBD, Sendai International Center

Who can join? :

Women students and researchers (including international attendees) and IFS faculty - and anyone interested in fostering inclusion

Fee : Free of charge

No prior registration required — just drop by!

Let's connect, share, and inspire each other!
