

# The 21st International Students / Young Birds Seminar on Multi-scale

## Flow Dynamics in ICFD2025

### General Information

#### Information

We are pleased to announce that “The 21st International Students / Young Birds Seminar on Multi-scale Flow Dynamics” session will be held in a face-to-face format for students and young researchers who are 35 years old or younger. Participants will be engaging in face-to-face Poster Presentations. Specific information is provided below.

#### 1. Session Style

- Only Poster Presentation
- ※ No short oral presentations are scheduled this year.

#### 2. Poster Presentation

- Presenters are required to print their posters in advance and display them at the conference venue at the designated date and time.  
The poster display time will be announced later.

#### Best Presentation Award for Students Session

Under a strict review process, participants who give exceptional presentations will be awarded certificates for the “Best Presentation Award for Students Session”. All presenters are eligible for the award. **However, only those who have submitted their papers by the submission deadline will be considered.**
