

	EX-1	EX-2	EX-3	EX-4	CON-1	CON-2	CON-Tachibana	CON-4	CON-5	CON-Sakura 2	CON-Shirakashi 1	CON-Shirakashi 2	
<b>November 6, 2019</b>													
9:00-12:00	Plenary Lectures @ TACHIBANA Opening Address & PLENARY LECTURES @ TACHIBANA												9:00-12:00
ISC Meeting @ MEETING ROOM 8													
14:00-15:30	OS7: Smart Fluids & Soft Matters and Their Advanced Applications		OS6: New Dimensions of Magnetic Suspension and Balance System	OS15: Turbulence: from Fundamentals to Applications		OS12: Complex Thermofluid System		Exhibition & Coffee Service	GS1: General Session	OS18: The 15th International Students / Young Birds Seminar on Multi-scale Flow Dynamics	OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals	OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals	14:00-15:30
15:40-17:10	OS7: Smart Fluids & Soft Matters and Their Advanced Applications	OS14: Porous Media	OS6: New Dimensions of Magnetic Suspension and Balance System	OS15: Turbulence: from Fundamentals to Applications	OS1&OS3: The Seventh International Symposium on Innovative Energy Research I & III	OS12: Complex Thermofluid System		Exhibition & Coffee Service	GS1: General Session	OS18: The 15th International Students / Young Birds Seminar on Multi-scale Flow Dynamics	OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals	OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals	15:40-17:10
17:20-18:50	OS7: Smart Fluids & Soft Matters and Their Advanced Applications	OS14: Porous Media	OS6: New Dimensions of Magnetic Suspension and Balance System	OS15: Turbulence: from Fundamentals to Applications	OS1&OS3: The Seventh International Symposium on Innovative Energy Research I & III	OS12: Complex Thermofluid System		Exhibition & Coffee Service	GS1: General Session	OS18: The 15th International Students / Young Birds Seminar on Multi-scale Flow Dynamics	OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals	OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals	17:20-18:50
19:00-20:00	Friendship Night @ SAKURA 2												19:00-20:00
<b>November 7, 2019</b>													
9:00-10:30	OS20: AFI-2019 IFS Lyon Center Collaborative Research Forum	OS9: Biomedical Flow Dynamics	OS4: Flow Dynamics and Combustion Technology of Hybrid Rocket Propulsion, 11th Edition	OS15: Turbulence: from Fundamentals to Applications	OS13: Flow Realization, Measurement and Visualization	OS12: Complex Thermofluid System	OS19: IFS Collaborative Research Forum (AFI-2019)	Exhibition & Coffee Service	GS1: General Session	OS18: The 15th International Students / Young Birds Seminar on Multi-scale Flow Dynamics	OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals	OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals	9:00-10:30
10:40-12:10	OS20: AFI-2019 IFS Lyon Center Collaborative Research Forum	OS9: Biomedical Flow Dynamics	OS4: Flow Dynamics and Combustion Technology of Hybrid Rocket Propulsion, 11th Edition	OS15: Turbulence: from Fundamentals to Applications	OS13: Flow Realization, Measurement and Visualization	OS12: Complex Thermofluid System	OS19: IFS Collaborative Research Forum (AFI-2019)	Exhibition & Coffee Service	GS1: General Session	OS18: The 15th International Students / Young Birds Seminar on Multi-scale Flow Dynamics	OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals	OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals	10:40-12:10
13:10-14:40	OS17: Liaison Office Session	OS9: Biomedical Flow Dynamics	OS4: Flow Dynamics and Combustion Technology of Hybrid Rocket Propulsion, 11th Edition	OS15: Turbulence: from Fundamentals to Applications	OS13: Flow Realization, Measurement and Visualization	OS12: Complex Thermofluid System	OS19: IFS Collaborative Research Forum (AFI-2019)	Exhibition & Coffee Service	GS1: General Session	OS18: The 15th International Students / Young Birds Seminar on Multi-scale Flow Dynamics			13:10-14:40
14:50-16:20	OS17: Liaison Office Session OS20: AFI-2019 IFS Lyon Center Collaborative Research Forum	OS9: Biomedical Flow Dynamics	OS4: Flow Dynamics and Combustion Technology of Hybrid Rocket Propulsion, 11th Edition	OS15: Turbulence: from Fundamentals to Applications		OS12: Complex Thermofluid System	OS19: IFS Collaborative Research Forum (AFI-2019)	Exhibition & Coffee Service	GS1: General Session	OS18: The 15th International Students / Young Birds Seminar on Multi-scale Flow Dynamics	OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals		14:50-16:20
16:30-18:00	OS20: AFI-2019 IFS Lyon Center Collaborative Research Forum	OS9: Biomedical Flow Dynamics	OS4: Flow Dynamics and Combustion Technology of Hybrid Rocket Propulsion, 11th Edition	OS15: Turbulence: from Fundamentals to Applications		OS12: Complex Thermofluid System	OS19: Fluids Science Research Award Lecturers	Exhibition & Coffee Service	GS1: General Session		OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals		16:30-18:00
18:50-20:50	18:50-20:50, Banquet @ Hotel Metropolitan Sendai												18:50-20:50
<b>November 8, 2019</b>													
9:00-10:30	OS5: Advanced Applications of Multi-functional Fluids	OS11: Microfluidics and Microphysiological Systems	OS8: Advanced Physical Stimuli and Biological Responses	OS16: Vortex Motion				Exhibition & Coffee Service	GS1: General Session		OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals		9:00-10:30
10:40-12:10	OS5: Advanced Applications of Multi-functional Fluids	OS11: Microfluidics and Microphysiological Systems	OS8: Advanced Physical Stimuli and Biological Responses	OS16: Vortex Motion				Exhibition & Coffee Service	GS1: General Session		OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals		10:40-12:10
13:10-14:40	OS5: Advanced Applications of Multi-functional Fluids	OS10: Biomolecular Dynamics	OS8: Advanced Physical Stimuli and Biological Responses	OS16: Vortex Motion				Exhibition & Coffee Service	GS1: General Session		OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals		13:10-14:40
14:50-16:20	OS5: Advanced Applications of Multi-functional Fluids	OS10: Biomolecular Dynamics	OS8: Advanced Physical Stimuli and Biological Responses	OS16: Vortex Motion				Exhibition & Coffee Service			OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals		14:50-16:20
16:30-18:00			OS8: Advanced Physical Stimuli and Biological Responses					Exhibition & Coffee Service			OS2: The Seventh International Symposium on Innovative Energy Research II: Combustion Technology and Fundamentals		16:30-18:00
