

Boeing University Externship Summer Seminar

Date: Monday, September 25, 2023

**Venue: Sakura Hall 2F, Tohoku University, Katahira Campus
2-1-1 Katahira, Aoba-ku, Sendai, Miyagi**

Map: <https://www.tohoku.ac.jp/japanese/profile/campus/01/katahira/areae.html>

▪ **Content**

- *Each university team selects a problem of interest related to aerospace*
- *Develop a proposal to solve the problem*
- *Proposal to address both technical and economic aspects*
- *Detailed project management plan up to each team*

▪ **Competition**

- *Each team will present their proposals to Boeing at the externship finale*
- *20 minutes including Q&A*
- *Proposals will be judged primarily on net economic benefit (“value proposition”)*
- *Score will also be influenced to a lesser extent by technical approach, project management and presentation*

- *Models to help illustrate proposal are welcome but are not required*
